### Judges Comments:

Many plain, flavourless wines without body or depth of varietal character.  
 Top Award shows a classic example of the variety, plenty of punch, racy acidity and nerve.

Very strong Class as medals indicate. Top wines good examples of two styles of young semillon. Main issues were ripe fruit causing premature development and attenuated ferments.

Many wines showed premature development and some showed over green characters. Also some judicious acid adjustment probably a reflection of vintage.
