Judges Comments:

Many wines developed and extractive.

Sugar is not flavour and does not hide the phenolics.

Makes the wines broad.

The usual difficulties with verdelho...lack of flavour and phenolics
but the top two wines were nice examples of
what can be achieved with good fruit and careful winemaking.

Exhibit 8 transferred to Class 10.

Exhibit 5 disqualified due insufficient bottles. Rule 2.1

A general lack of knowledge of how to make these styles.

Back sweetening attempted for dry wines isn't the way to make these.

Judges Comments:

Judge A - Still too many wines with Brettonomyces. Pleasing to see great style variation from full bodied reds to classy Rhone style.

Judge 2 - A good solid class. Some very different styles in this group and the best were balanced and had concentration.

Disappointing Class.

Many forward and brown wines which reflect the 2005 warmer vintage.

Medal winner had the varietal flavours.

Judges Comments:

Judge A -A good Class of solid wines with better wines showing fruit concentration and depth.

Judge B -A solid range of wines from a good vintage. Watch over-oaking Shiraz as it becomes dry and abrasive.

Judge C -Disappointing amount of spoiled wines mainly Brettanomyces and oxidation. Best wines had balance of fruit and oak.

Shiraz - Class 63 2003 vintage and older

Disappointing Class.

Too many wines spoiled by Brettanomyces.

Many wines developed rapidly in bottle.

Judges Comments:

An average class of wines. Award winners were at least fresh and had good structure.

Non-award winners lacked finesse and were too sweet.

Judges Comments:

Exhibit 13 transfered to Class 82

Sparkling wines required fruit depth and fault free.

Top awards are good examples of the style and direction.

Oak dominant wines should be avoided.
